Letter No C 1470/3526 dt 13.6.36 from the M.C. in Mysore

In continuation of his letter dated 30.8.35 submits the case for orders regarding debiting the cost of forming a road to Sri Narasimha Swamy temple at Sabandur in Magadi taluk, proposed to be met from General Muzrai Funds.

The formation of a road to the Temple of Sri Narasimhaswamy at Sabanduru is estimated to cost Rs 1035/- Regarding meeting this cost, Government have in the Budget Session of the R. A (June 1935) promised that this expenditure will be debited in equal proportions to the temple the District Board, Bangalore, and the General Muzrai Fund. The total cost viz Rs 1035, will have therefore to be debited to the three Funds equally i.e. Rs 345 each

2) The M.C has already intimated that Rs 2500/ will be made available from the temple Funds for the purpose and has now further stated that it is best for the temple to meet the expenditure

of Rs 950 to make up its contribution. He has not stated anything regarding the District Board's contribution of Rs 3450 for the purpose.

3/ Regarding the contribution from the Epeat Hungai Fund for the said work, the M.C has stated that it is not possible to contribute such a large sum of Rs 3925 (i.e. half of the balance Rs 7850 still required to make the total cost Rs 10350 of the estimate) from this Fund and that it may perhaps be possible to meet it from the Fund hopithed his proposal for meeting the cost of Renovation works of Belur and Halebid Temples entirely from the Chattram Panish Fund is sanctioned by Govt. This proposal of the M.C has been sanctioned by Govt in G.O. dated 27th June 1936

4/ The attention of the M.C will be invited to the said Govt order and he be requested to submit revised proposals if necessary in this matter as he is not definite in his present proposal. Submit for orders.

11 It is reported that the District Board Bangalore who had previously agreed to pay 1/3rd of the original estimated cost had subsequently pleaded inability even to pay Rs 2200/- being 1/3 rd cost of the modified estimate of Rs 6,600/- As the District Board have withdrawn their promise and the Road work is not very urgent, the M.C is of opinion that the question may be allowed to lie over for the present. (i) point for orders

In case the above proposal of the M.C is accepted, there will be a saving of Rs. 3925/- provided for the Lawandapa Road work in the State and Local Purposes Fund Grant for (1936-37) and the M.C requests sanction to utilise this amount for Renovation of the gopuram of Sri Ranganathaswami temple at Seringapatam, which is an ancient and important Hindu Institution in need of urgent repairs. temple cannot be considered to be an obligatory duty of the District Board since it is not one of the trunk roads given in the District. The D.C. Board cannot be therefore compelled by Govt. to construct the road - the E.S.G. Branch may however be consulted on this point. ~~As such~~ It is a point for consideration whether the Govt. are not justified in declining failing to carry out the promise made in this case subject to certain contingencies / and whether Govt. are not justified at least in postponing the construction of the road till funds are available.

The promise given was "that Government would sanction the road, the expenditure being debited in equal instalments to the District Board, the temple and the Sacred Muzrai Fund", and the basis for said consideration now is that the District Board has shown inability to pay their quota, whereas the construction of the road should still be considered necessary, or as recommended

There is nothing in the records to show that the District Board, Ramnad, really ever agreed to pay 1/3 rd. of the original estimate Rs 11,600 for the work in question although the Inspr. Comr. states that they had previously agreed to do so. Under the District Board Law it is submitted that the D.B. can not be compelled to make the necessary contribution for this ~~optional~~ work unless Govt. consider it to be a necessity. ~~This is a point for consideration as the records required in the case.~~

A draft ~~reply to the H.C is placed~~ for orders of G.O. in accordance with the orders contained in paras 19 to 21 of the notes is however put up. The apportionment of the cost is in accordance with the promise made by the Dewan in the Representative Assembly in the June session of 1935. The Inspr. GENERAL 13 JUNE 1936

SIR,

Formation of a road to the Sri Narasimha Swamy Temple at Savandurga, Magadi Taluk.

B 1715 Rev 128-35-1-6

In continuation of this office letter No.M.C.18/35-36 dated 30th August 1935 intimating that a sum of Rs 2,500 will be made available for the above work, I have the honor to state that the Superintending Engineer, Mysore Circle, has, in his letter No.2215 dated 30-4-1936 addressed to the Chief Engineer, proposed that deducting the temple's contribution of Rs.2,500, the balance of Rs 7,850 has to be borne in equal shares by the District Board and the General Muzrai Fund in accordance with the promise made in the budget session of 1935 of the Representative Assembly. The Superintending Engineer has sent me a copy of the letter and requests my concurrence for meeting Rs 3,925 from the General Muzrai Fund.

2. Out of the amount apportioned to the Muzrai Department, the temple has to pay Rs 950 in addition to Rs 2,500 already promised and the balance of Rs 3,450 has to be contributed by the General Muzrai Fund. But, the Superintending Engineer has proposed that the balance of the estimated cost viz., Rs 7,850 may be met from the Muzrai Department and the District Board, waiving the responsibility of the temple for payment of the balance of Rs.950. As the temple has a cash balance of Rs 1,[illegible] and a sum of Rs 1,700 in investments, it would not be possible for the temple to meet any additional amount in excess of Rs 2,500 out of its

this. As regards the General Muzrai Fund, no provision has been made in the General Muzrai Fund for this work and it is not possible to contribute such a large sum of Rs 5,925 either from out of its closing balance or from the allotment made under "Repairs and Construction of Muzrai Institutions".

Sir, however, Government approve of the proposal made in this office letter No.S.656/35-36 dated 7-5-1936 for meeting the cost of renovation works of Belur and Halebid Temples entirely from the Mutt's Savings Fund it may perhaps be possible to meet the cost of this work from the General Muzrai Fund.

2. I submit the matter for the orders of Government.

I have the honor to be,

Sir,

Your most obedient servant,

M. N. Srikantaiah

for Muzrai Commissioner.

To The Secretary to Government

Letter No.3315 dated 30-4-36 from the Superintending Engineer, Mysore Circle, Mysore, to the Chief Engineer of Mysore.

Formation of a road leading to Sri Narasimhaswami Temple at Savandurga, Nagadi Taluk.

With reference to correspondence ending with your letter No.4458 dated 19-11-1935, I have the honor to submit herewith an estimate duly checked for 10,350 together with the necessary plans and sections.

2. As suggested in your Memo No.1104 dated 2-3-1935, provision is now made for a gravel road only.

3. The Muzrai Commissioner has, in his letter No.Nil dated 22-7-1935, addressed to the President, District Board, Bangalore, stated that a sum of Rs 2,500 will be made available after the estimates are prepared and the work is started.

4. In the Budget Session of 1935 of the Representative Assembly, Government made a promise to sanction the estimate debiting expenditure equally to the District Board, the Temple and the General Muzrai Fund. Presuming that the contribution of Rs 2,500 to be for temple funds, the balance, namely, (Rs 10,350 - Rs 2,500) or Rs 7,850 will have to be borne equally by the District Board and the General Muzrai Fund. Accordingly, I am sending a copy of this letter both to the District Board President and the Muzrai Commissioner, to furnish their views in the matter.

5. In the enclosure received with your letter No.2397 dated 30-9-1935, it has been mentioned that the Muzrai Department and the District Board have agreed to bear 2/3rd of the cost. There are no references in this office on this aspect and even if they have agreed, it will be necessary to obtain their concurrence afresh in view of the higher contribution.

6. The report accompanying the project, explains the provisions made and the need for them. The proposal is for a hill road and except in a two furlongs 2 to 4 where the gradient is 1 in 14½, the ruling gradient elsewhere is one in 24 which is quite gentle. Where the bank is high as in 6/1, the width of the road has been kept 18' to make it safe. Due to this, and the fact that fresh provision had to be made for benching and masonry works, the estimate amount stands quite high.

7. The project is a very desirable one, as it seems a place of pilgrimage and incidentally promises to develop Savandurga Hill into a holiday resort

---

No.11809 Dated 30-4-36.

Copy of the above is forwarded with compliments to the Muzrai Commissioner in Mysore for favour of concurrence to the contribution of Rs 2,500 from General Muzrai Funds. The project is a promise made by Government in

With reference to your letter No. C.1470 dated 13th June 1936 on the subject referred to above, I am directed to invite your attention to G.O. Rt. No. 1783-88 Mucy. 138-35-2 dated 26th June 1936 sanctioning your proposal to meet the cost of renovating the temple at Halebidu and Belur Chattram Savings Fund. Since the temple at Savandurga

Subject:- Construction of a road leading to Sri Varasi [illegible] swami Temple at Savandurga, Ramnagaram Taluk.

Sir,

With reference to your letter No. [illegible].1470 dated 15th June 1936, on the subject referred to above, I am directed to invite your attention to Government order No.1783-[illegible]/Muz. 128-35-2 dated 26th June 1936, sanctioning your proposal to meet the cost of renovating the temples at Halebid and Belur from the Chattram Savings Fund. Since the temple at Savandurga can contribute only Rs.2,500/- to meet the cost of constructing the road, I am to enquire whether in view of the altered situation created by the Government order of 26th June 1936. the General Muzrai Fund can pay one half of the remaining portion of the estimated cost of the road which amounts to Rs.7,950/- as suggested in your letter referred to above and whether the District Board, Bangalore, is prepared to pay a contribution of Rs.3,725/- for meeting the cost of constructing the road.

GENERAL SECRETARY. 18 NOV. 1936

SIR,

Formation of a road to Sri Narasimhaswami Temple at Savandurga, Magadi Taluk.

With reference to your letter No.53/Muz.128-35-8 dated 7-7-1936 and this office letter No.C.1470/35-36 dated 12-10-1936 on the above subject, I have the honor to forward herewith a copy of letter No. CR.32/35-36 dated 5-11-1936 from the President, District Board, and to state that the District Board has pleaded inability even to pay a sum of Rs2,200 being the one-third cost of the modified estimate for Rs6,600 since reduced by the Superintending Engineer (vide copy of letter No.921 dated 12-10-1936 addressed to the Chief Engineer) whereas they had previously agreed to pay 1/3rd of the original estimated cost of Rs.11,600.

As the District Board have withdrawn their promise and the road work is not very urgent, I am of opinion that the question may be allowed to lie over for the present.

2. In this connection, I may state that the Gopuram of the Sri Ranganathaswami Temple at Seringapatam which is an ancient and important Muzrai institution, is in need of urgent repairs. I inspected the temple on 2-11-1936 and found that the work should be taken up immediately. It is expected to cost about Rs 12,600 and I have called for further details from the Deputy Commissioner, Mysore District, on receipt of which, definite proposals will be submitted separately in the matter with necessary estimates.

3. In view of the above considerations and of the fact that the Sri Ranganathaswami Temple can afford to pay only a ~~suitable~~ small portion of the estimated cost, I request that sanction of Government may be obtained to utilise the sum of Rs 3,925 provided for the Savandurga Road Work in the current year's State and General Muzrai Fund Grant for the renovation of the gopuram of the Sri Ranganathaswami Temple at Seringapatam.

I have the honor to be,

Sir,

Your most obedient servant,

To Chairman

Muzrai Commissioner.

With reference to your letter No.C.1470/35-36 dated 20th October 1936, requesting me to obtain a resolution of the Board agreeing to pay one-third of the present estimated cost of the above road, I have the honor to intimate that there is no provision in the budget for the opening of any new roads and that the finances of the Board do not admit of granting any contribution to the formation of the road under advertance.

For Muzrai Commissioner.

From Letter No.921/10 dated 12-10-36 from the Superintending Engineer, Mysore Circle, Mysore, to the Chief Engineer of Mysore.

Re. formation of a road to the Sri Narasimhaswami temple at Savandurga, Magadi Taluk.

With reference to your letter No.371 dated 11-7-36 returning a project for the above work with certain observations, I have the honor to submit the same duly attended to by the Executive Engineer. The estimate as now framed and checked amounts to R. 6,600, representing R. 2,640 per mile.

2. The estimate provides for dry stone parapets on high embankments as suggested and cuttings are avoided as far as possible while benching is wholly omitted.

3. The steepest gradient is 1 in 10. The Executive Engineer might have submitted a fresh and clear plan, instead of marking on the old plan itself the deviations in pencil which are not clear in not a few cases.

4. He should have given details for the provision under Blasting Rock and also given cross section and areas closer apart.

5. The Muzrai Commissioner has addressed the District Board President in his letter No.C.1470 dated 16-7-36 that if the Board agrees to pay a moiety of cost after deducting R 2,500 to be allotted from temple funds he would see that the possibility of contributing the other moiety from General Muzrai Funds. As it is understood from the Deputy Commissioner's letter that the resources of the temple are not very strong, I would suggest that the cost be equally borne by the temple funds, the District Board and the General Muzrai Funds. The District Board President does not seem to have replied yet and I am sending a copy of this letter to him and the Muzrai Commissioner for favour of opinion.

6. On the ground that it is intended to pay a share from the General Muzrai Funds, no provision has been made for establishment and tools and plant charges.

7. This forms a subject for representation this year also and the project can only be sanctioned on receipt of definite reply from the District Board President.

No.4364 Dated 12-10-36.

Copy of the above is forwarded with compliments to the Muzrai Commissioner in Mysore, with reference to his Memo No.C.1470/35-36 dated 16-7-36

Subject:- Formation of a road to Sri Narasimhaswamy temple at Savandurga, Magadi taluk.,

---

SIR,

In continuation of this Office Un-Official No. 34 dated the 11th July 1936, I have the honour to state that an estimate amounting to Rs 6600/- for the above work has been received from the Superintending Engineer, Mysore Circle. The President, Bangalore District Board who was enquired to if the District Board would contribute towards the cost of the work has intimated that the subject came up for consideration at the adjoined meeting of the Board held on the 17th and 18th November 1936 and that it was resolved that it was not possible for the Board to make any contribution for the work. A copy of the resolution of the Board is herein enclosed for information.

2. In this connection, it may be stated that the formation of the road in question was one of the subjects brought forward for discussion at the meeting of the Representative Assembly in June and October 1936 and it was promised that the road work would be taken up early. The expenditure has to be debited in equal proportions to ~~the~~ the District Board, the temple and the general Muzrai Fund. The Muzrai Commissioner has stated in his letter dated 22-7-35 addressed to the District Board President that the Muzrai Department would pay a sum of Rs 2500/- for the work after the necessary estimates are prepared and approved and the work is actually started (copy enclosed)

3. The project is a very desirable one, as Savandurga is an important place of pilgrimage attracting large numbers of pilgrims.

4. In these circumstances, I request that orders of Government may kindly be obtained to the entire cost of the work being met from Temple and General Muzrai funds and the same communicated to this Office early, to enable the work being put in hand and completed. The estimate amounting to Rs 6600/- for the work received from the Superintending Engineer, Mysore Circle, is herewith enclosed for favour of sanction and allotment of funds.

I have the honour to be,
Sir,

SIR,

Formation of a Road to the Sri Narasimhaswamy Temple at Savarandga, Magadi Taluk.

With reference to your letters Nos.1131/Muz.128-35-10 dated 11-2-37 and 1199/Muz.128-35-12 dated 27-2-37 and in continuation of this office letter No.C.239/36-37 dated 25-6-1937 on the above subject, I have the honor to state that the instructions contained in your former letter requesting the District Board to meet 1/3rd cost of the modified estimate for Rs.6,600 from the Board were communicated to the President, District Board, and he was requested to send the resolution of the Board to meet a sum of Rs.2,200 for the work.

In reply, the President states in his letter dated 29-6-1937 (copy enclosed) that it is not possible for the Board to provide any funds for the work under the present financial stringency of the Board. The above opinion of the President is based on the resolution of the Board dated 17th and 18th November 1936, when it was a question of the Board paying Rs.3,925 being half the cost of the estimate for Rs.7,850. The proposal does not seem to have been placed before the Board again for their opinion, in accordance with the instructions of Government contained in their letter dated 11th February 1937.

I submit the matter for the orders of Government.

Subject:- Formation of a new road to Sri Narasimhaswamy temple at Savandurga, Magadi Taluk.

Sir,

With reference to correspondence ending with your letter No.C.1470 dated 16th July 1937, on the above subject, I am directed to state that as proposed in para 1 of your letter dated 14th November 1936, the proposal may lie over for the present since the District Board, Pangalore, has pleaded inability to contribute its quota for the construction of the road.

I have the honour to be,
Sir,
Your most obedient servant,

Sd/- M. Venkatesa Iyengar,
General Secretary to Government.

K.M.P.3.

Memo No. 835 Dated, 6th December 1937.

Copy of the above, is forwarded, with compliments, to the Chief Engineer of Mysore, for information with reference to his letter No.3374/dated 1st October 1937.

By Order,

For General Secretary to Government.
